Why?

The American Cancer Society is a global grassroots force of 2 million volunteers saving lives in every community. As the largest voluntary health organization, the Society's efforts have contributed to a 25 percent decline in the cancer death rate in the U.S. since 1991, driven by less smoking, better treatments, and earlier detection. We're finding cures as the nation's largest private, not-for-profit investor in cancer research, ensuring people facing cancer have the help they need and continuing the fight for access to quality health care, lifesaving screenings and more.

Best Dressed is organized by a volunteer committee. Space is limited and tickets sell fast, so make plans now to attend and be part of the excitement.
