

SAN ANTONIO'S 32<sup>ND</sup> ANNUAL  
**CATTLE BARON'S GALA**  
*Benefiting the American Cancer Society*

**WE'RE BUCKLING UP TO CURE CANCER!**

# THANK YOU

Welcome to this evening's gala and thank you so much for supporting us in our efforts to help cancer patients in South Texas. This devastating disease has affected so many people in our community and we are no different. We were fortunate to have the resources to get us through that difficult time. Some are not so lucky. Many patients depend upon the American Cancer Society for transportation and other necessary resources to help them through their journey with cancer. Please consider extending your support by donating to the raffle, silent and live auctions and other fundraisers

tonight to help the American Cancer Society expand their help to these patients.

We thank our guests, sponsors and all of the hard working individuals who served on the many committees created to hold an event of this magnitude. Because of your efforts, we all made this a sell-out event! Enjoy the evening!

Sincerely,

*Jaime & Lori Wesolowski*

**METHODIST HEALTHCARE MINISTRIES**  
OF SOUTH TEXAS, INC.

*"Serving Humanity to Honor God"*

The mission of MHM is "Serving Humanity to Honor God" by improving the physical, mental and spiritual health of those least served in the Southwest Texas Conference area of The United Methodist Church.

MHM is dedicated to providing medical and health-related human services to low income families and the uninsured throughout South Texas. It is now the largest private funding source for community healthcare services in South Texas. The mission also includes MHM's one-half ownership of the Methodist Healthcare System – the largest healthcare system in South Texas. This creates a unique avenue to ensure that the Methodist Healthcare System continues to be a benefit to the community by providing quality care to all and charitable care when needed, and it provides revenue to MHM for its programs.

**HELP A PATIENT  
ON THE ROAD  
TO RECOVERY**

Those diagnosed with cancer face many medical, physical, and emotional issues surrounding the disease. Their only hope can mean hundreds of trips to doctors, specialists, hospitals, and treatments.

This presents a serious challenge for those who do not have access to transportation to get to their treatment. Without treatment their hope is gone.

The American Cancer Society's patient transportation program ensures these patients a ride to their life-saving treatment and gives them a whole lot of hope. Methodist Healthcare Ministries has donated \$100,000 towards this program. Our goal is to match that amount. During the gala you will have the opportunity to give to this important cause, if you are unable to attend you can make a donation using the enclosed replay card.

This year's gala is dedicated to Don Strange.

## GALA HISTORY

The Cattle Baron's Gala was founded in Dallas in 1974. The gala was so successful that cities across the U.S. duplicated the model. In 1979, the gala came to San Antonio. Since then, it has become the largest fundraising event for the local chapter of the American Cancer Society. It has netted more than \$7 million for cancer education, support, research, and advocacy.
