Maximizing Your Gift

Through Your Company's Matching Gift Program

Increase the Dollars ... Increase the Difference

Your generous gifts are making a difference in the fight against cancer, and the American Cancer Society *thanks you!* Your employer could be matching your gift and, together, you will fund more research, educate more people about cancer prevention and detection, and help pass critical cancer legislation.

Double Every Cancer-Fighting Dollar *It's simple!*

- Go to www.matchinggifts.com/acs to see if your company currently matches gifts to the American Cancer Society.
- If they do, you will receive instant information on how to get your gifts matched.
- If your company does not currently match employee donations to the American Cancer Society, encourage your company to add this as an option to further your support.
- Additionally, many companies will make a matching gift for employee volunteer time. Check with your company to determine if matching gifts are offered for volunteer hours.

For more information on matching gifts to the American Cancer Society, call 1-800-ACS-2345.
